## ROTC Drill Team Entered Competition

The Elba High School ROTC Drill Team participated in the Second Annual ROTC Drill Competition held on February 28 in Dothan's North Mall. The Elba team, with a group of JROTC cadets, departed from the campus at 12:00 in order to arrive in Dothan prior to the 3:00 starting time.

A short briefing was held before the competition to inform the participants of the proceedings. After the briefing, the cadets observed the fancy executions and movements of teams from Enterprise, Andalusia, Ozark, Troy, Daleville, Dothan, Georgia Military College, and Lyman Ward Military Academy. During the competition, the cadets had the opportunity of exploring the surroundings, shopping, and meeting cadets from other schools.

A short intermission was held after the first seven teams performed. During the intermission, the cadets saw a Military Dog Obedience Demonstration and the performance by an Auburn University senior ROTC cadet member of the Pershing Rifles, best in fancy weapons drill in the United States.

After the intermission, the Elba team came on the field. Since Elba was the eighth team to perform, the members were somewhat tired from waiting, but nevertheless put on a dazzling performance. The cadets then explored until time for the awards ceremony.

In the boys' drill teams, Enterprise placed first, Ozark second, and Georgia Military College third. In the girls' drill teams, Enterprise placed first, Ozark second, and Dothan third.

Although Elba didn't win, the team did have a very commendable score. The cadets are extremely proud of team commander Aubrey Williams and team members: Ralph Lawrence, Vic Phillips, Willie Robinson, Harold Bannin, Robert Baldwin, Bruce Bush, Lester Magwood, James Starks, and Russ English. After the awards program, the Elba group ate supper in Dothan, departed, and arrived at the campus at approximately 9:45 p.m.

The principal office of the Cooperative is located near Andalusia, with other branch offices located in Samson and Brantley.

Officers of Covington Electric are: President-Charlie Stephenson, Samson; Vice-President-Warren Hutcheson, Red Level, Rt. 1; Secretary-L. Bryant, Dozier, Rt. 1; Treasurer-Allen, New Brantley, Rt. 1; R. R. Johnson, Dozier; and Charles Mallory, John Hill is general manager.

Rescue Report

The Elba Rescue Squad made the following runs during the period of March 12 through March 18:

March 12 - Pete Daughtry to Elba General Hospital

March 12 - Emma Goodson, wife of Elba General

Total mileage was 622 miles.

## Covington Co-op Shows Off Office

Covington Electric Cooperative has a big "welcome mat" out this week in preparation for open house observance at its new Enterprise Area office on Sunday afternoon, March 24. Visitors will be taken on a guided tour of the facility between the hours of 2:00 and 5:00 p.m.

Refreshments will be served, and useful favors presented to all visitors.

Located on Alabama Highway 134, approximately 7 miles West of the Enterprise city limits, the new facility was opened for business mid-November.

Representing an investment of over \$125,000, the new facility was designed by Southern Engineering Company, of Atlanta, Construction work was carried out by Southeastern Construction Company, of Chattanooga.

The building contains both office and warehouse space. It is designed to aid Covington Electric in rendering the most efficient service possible to its customers located in the Enterprise, Coffee and Dale counties areas.

The principal office of the Cooperative is located near Andalusia, with other branch offices located in Samson and Brantley.

Officers of Covington Electric are: President-Charlie Stephenson, Samson; Vice-President-Warren Hutcheson, Red Level, Rt. 1; Secretary-L. Bryant, Dozier, Rt. 1; Treasurer-Allen, New Brantley, Rt. 1; R. R. Johnson, Dozier; and Charles Mallory, John Hill is general manager.

## Benton Resigns Position At Hospital

Lowell Benton, administrator of the Elba General Hospital, on Monday of this week, submitted his resignation to the Elba Hospital Board. The resignation is effective in thirty days.

Benton has accepted a similar position as administrator of the Ivey Memorial Hospital in Ivey, Mississippi.

An interview with Benton said, "As much as we love Elba, the raise in pay and potential growth of the West Point position makes it impossible to turn down." He noted that he had assured the hospital board he would stay here as long as possible to help phase in a new administrator. He again said "This was one of the hardest decisions I have ever made."

Benton's family will remain in Elba until the end of the present school term.

Hospital Board Chairman Drexel Cook said on behalf of the entire hospital board, "The Board appreciates the fine job Mr. Benton has done here and we wish him well in his new endeavor." He continued with, "We hate to see him go, but we can't fault a man for stepping up the ladder in his career field."

Cook said several names had been mentioned to replace Benton, but the Board has not met and discussed any replacement for Mr. Benton.

Band Day

Band Day is getting nearer - Saturday, March 30, at the National Guard Armory. The band will play all day, and buy new uniforms - and they hope to reach this goal on Band Day. Tickets for barbecue and chicken supper are being sold.

The chicken will be served at the High School Auditorium from 5:30 - 7:30 Saturday night. There will also be bingo, a Men's Beauty Contest, and the Elba Marching Tiger Band in concert.

## RESCUE SPOTLIGHT

This week's Spotlight shines on Joe Ed Smart, a member of the Elba Rescue Squad for about three years. He is also a policeman, but at present is on auxiliary status, due to a recent illness. He does still go on rescue runs, however.

Jane Brown, and they are both natives of Elba. They have three children: Jeff - 12, Rebecca - almost 10, and John - almost 15.

Joe said "I love to work with the Squad. I love to help people - I enjoy the work."

Wallace Rally

Set For Andy

A George Wallace political rally is scheduled for Andalusia Saturday night at 7:30. A number of area bands, including the Elba Tiger Marching Band, will be in attendance. The rally covers a seven-county area, including Coffee, Geneva, Covington, Crenshaw, Butler, Escambia and Conecuh.

The rally will be on the square in front of the courthouse in Andalusia. Governor Wallace is expected to deliver a campaign speech after the bands present some music and will remain in the area following the speech to talk with the voters.

## BRAINSTORMS

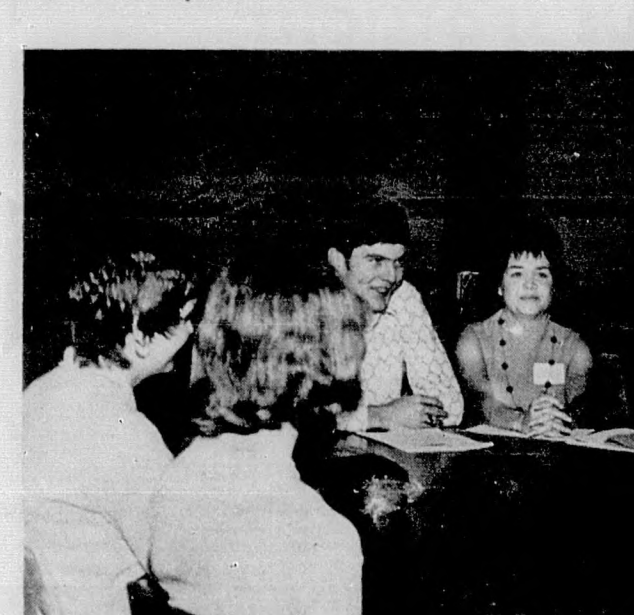

With Ferrin Cox

Streakers have made the headlines in most of the daily newspapers during the last few weeks. We are sure that this publicity has given others the idea to do the same thing. Last week the weekly GREENVILLE ADVOCATE of Greenville, Alabama, carried a picture of a streaker "in the act of streaking." He was identified as one-year-old Michael Corbett, Jr., son of Michael and Jane Corbett, formerly of Elba. Local friends of the Corbett family give slight indications that papa Mike just might have put Junior up to the stunt—what about that, Mike? —you are one of our faithful subscribers — was it you or Jane? Surely my friend, Gene Hardin, at the Advocate wouldn't have had your son astray!

We are publishing a "Letter to the Editor" this week criticizing the people of Elba as being big gossip. Several weeks ago we published another letter in the same grain. The first was published without comment, but now we feel it is time to rise up in defense of the people of Elba. We agree that Elba has its share of people who thrive on gossip and also of people who ignorantly pass on this talk, and frankly, we have been guilty of this also and expect most people in town are guilty along with us. However, comparing Elba with other places around the world (literally) where I have lived ELBA, ALABAMA IS HEAD AND SHOULDERS ABOVE THEM ALL! I find that by my mind my business most of the gossip goes somewhere else. Also, often in a small town, genuine interest in people, we know, can be interpreted as nosy gossip if the parties involved are a bit touchy about the matter and close friends will ask someone else rather than embarrass these people.

I have mellowed some with the years, but as a teenager and into my early twenties, I really didn't care what people thought or said about me as long as I knew in my mind I was doing right. As I mellow with age, however, I realize that this might have worked during the early years of our country, but now there are just too many of us living too close together for me to not consider the demands of society to a certain degree before doing things that appear to others as wrong.

The Elba band is planning to join other area bands at the George Wallace Rally in Andalusia Saturday night. There is no doubt in my mind that they will represent Elba well in this endeavor. These youngsters present a good image of our community every time they perform in other communities and deserve our support. Like any other civic endeavor, the band needs money to buy uniforms, instruments, music and other related equipment to be properly prepared for representing our town at various functions. Band Day is March 30th and this will be a good time for us all to give a little of that hard-earned cash to help them continue this fine work.

The Youth Committee of the Coffee County Extension Council are shown as they met recently to discuss plans for 4-H and other activities during the year. The group met at Enterprise State Junior College with Mrs. Myrna Rhoades of Elba serving as chairman. Pictured left to right with back to camera are Donna Carroll, Susan Coffey, Extension Home Agent, Melaine Carley, Keith Houtt, Myrna Rhoades, Terri Olson and Donnie Parrish.

## BILL DICKINSON Oppose Unconditional Amnesty

During the past few weeks I've met with several former POW's who are stationed in the Washington, D.C. area. I was struck by their appearance, self-respect, self-discipline, sense of responsibility and unabashed patriotism they exuded. These men have returned from hell to make meaningful contributions to society.

Others, who dare to call themselves Americans, but who live in Canada, Sweden and elsewhere after deserting or dodging the draft, have been grabbing the headlines the last few days demanding unconditional amnesty and total forgiveness. Some of these "men" say they would not be willing to even consider performing alternate public service in return for amnesty.

As if this situation weren't bad enough, we have a former Secretary of the Army appearing before a Congressional committee to urge money to those who refused to serve their country in time of need. His statements make front page headlines and cloak the actions of those who would not serve their country with a measure of respectability.

To grant unconditional amnesty to those who refused to serve their country would be a disservice and an official insult to those millions of men

## Alabama's U.S. Senator Jim Allen Reports To The People

TERRORISTS MUST BE BROUGHT TO JUSTICE

During recent weeks, America has been reaping the harvest of political terrorism. It would be a sharp slap in the face to the former POWs who have only been out of Hanoi's prisons for one year. To grant unconditional amnesty would be to place the Presidential seal on the attitudes of those who deserted or dodged the draft.

A small group of dissidents must not be allowed to dictate their will on the majority of this nation's citizens. If unconditional amnesty is granted, it could have a disastrous effect on the future physical safety of the United States. If men of military age, in and out of service, can personally choose the wars in which they will consent to fight, the elected leaders of this nation will no longer be allowed to dictate its affairs. A nation so governed cannot long endure.

Last year, 84 percent of the people in Alabama's Second District who responded to my annual questionnaire opposed the granting of executive clemency to deserters or draft evaders. If public service was made conditional, as far as I'm concerned, those men who deserted our nation would be served in their place and would refuse alternate service, can serve where they are now, whether it is Sweden, Canada or elsewhere!

Terrorists operate outside of the law and beyond recognized laws of civilization. During campus disorders and street riots of recent years law enforcement efforts were hampered and sometimes completely frustrated by those who claimed that the police were a greater threat to individual rights than were those who were violating the laws. Since that time, however, more and more Americans have begun, at long

## The Pastor's Corner

Rev. Edwin Sells

"What Is Your CO?"

Almost everyone has heard of I.Q. This is a standard of measurement to determine an individual's intelligence quotient. In the spiritual realm maybe we ought to have some measurement of C.Q.—Compassion Quota. Our Lord teaches us the need of having compassion or love for others. Matthew 9:36 reads, "When he saw the crowds, he had compassion for them."

What is compassion? The Gospels go into much detail with illustrations of Jesus meeting the needs, both physical and spiritual, of those with whom he came in contact. Even though the ministry of Jesus was limited to the very small land of Palestine, his compassion is directed world-wide.

What is compassion? It is the basic emotion of the Kingdom of God. It is the love of the world. It is the call to the ministry to every man, whether he be preacher or layman. Are we possessed with this sense of concern for others? How do you react to the pain of the world? Is your compassion limited to certain people, etc? A little boy was asked one day why he went all the way across Chicago to attend D. L. Moody's Sunday School. "Because they love a fellow there," he replied.

Americans should never have to live in fear for their lives or property from actions by those who seek to overthrow our form of government by use of terrorist tactics. The nation that compromises with terrorists today can well be destroyed by terrorists tomorrow. We must not allow this to happen to America.

derous gossip you really could not believe any of it. Nine times out of ten the people that are doing the talking are actually covering up for themselves or their family.

The old cliché, "Sweep around your own back door before you sweep around anyone else's," should be true in Elba, however, it isn't. I know I have been criticized that other time for things I did not do.

—Knew what she was talking about and deserves a pat on the back.

I would like her to know that all people born in the 40's are not so narrow minded.

I believe that Elba or the people in Elba (some of the people in Elba) are without a doubt the most vicious people in any small town I've seen, and I have seen plenty.

If you would stop and consider the source of all slanderous gossip you really could not believe any of it. Nine times out of ten the people that are doing the talking are actually covering up for themselves or their family.

**Elba High Begins Baseball Practice For Coming Season**

The Elba High School baseball team has begun practice for their upcoming season. The baseball team began practice Monday with 19 hopefuls trying out for the 15-man roster. Coach Hinton Johns expressed concern over the lack of good pitchers, and said that the team will need at least five good

pitchers. The first day of practice was devoted to batting practice and fielding. The right player for the nine positions. The Tigers will continue practice this week, and will get down to serious business next week as they prepare for their opener on March 29. The Tigers will play 14 games, including ten against the five teams in their region. Each team in the region plays each other twice, with the team compiling the best record winning the State playoffs. The teams in this region are Elba, Opp, Andalusia, Dale County, Greenville, and Geneva.

The Trojans Trojans upon the record 10-5-3 with a sweep over Oakland University, and a split with Livingston. In the twin bill against Oakland, the Trojans dropped the first game, 10-5, and won the second, 10-5, and 2-1 wins. In the first game Troy came from behind to win 2-1. In the second game, Troy scored two runs in the first inning and held on to win 2-1.

The two quarterbacks, Gary Rutledge and Richard Todd are returning, as are the three deep defenders, Mike Washington, Tyrone King and Ricky Davis.

**Babe Ruth Registration Set**

Registration for playing Babe Ruth Baseball has been set for March 16-25. This league is open to all boys between the ages of 13-15. If anyone who is between these ages wishes to play baseball, they must register at the Recreation Center between the dates listed.

The teams will be divided on March 25, and once the teams are set, no one will be permitted to join. The season will begin on April 23, with each team playing 2 games per week for 8 weeks.

The Babe Ruth Program is much better organized this year than in the past. All four teams will have new suits, and each team will be fully equipped with new equipment. The coaches for the season are Wayne Marler, Ronnie Young, Buddy Brunson and Lamar Kellogg.

At the present time not enough boys have registered to organize a league. So if you do want to play Babe Ruth baseball, you must register. If enough boys don't register, no Babe Ruth league will be organized.

**Martin Returns From Classic**

John Martin, professional golfer from Elba, has returned from Savannah, Georgia, where he competed in the Savannah Classic II golf series. The series has a unique format in three tournaments by only "one" stroke.

Martin plans to lay off the tournament tour for several weeks and enjoy his rest. He is going to compete in the P.G.A. Qualifying School at West Palm Beach in October, and if he passes the school, will gain his touring card for P.G.A. tour.

**Football Playoff System Changed**

The Alabama High School Legislative Council approved a new regional playoff system for State high school football this year. The system is much like the present system used in basketball. The classes are divided into 8 regions, with 2 areas in each region. Each area contains teams in a close geographic region, and each team in the area must play each other during the season.

Elba is in Region II Area I. The other teams in the area are Andalusia, Greenville, Dale County, Opp and Geneva. The team with the best record against their area teams will advance to the State playoffs against the winner of the other area in their region.

**Elba Jr.'s Start Spring Training**

Now that the varsity football players have completed spring football practice, the Junior High players take their turn. The Spring training will last for three weeks with the boys facing the same conditioning routine as the varsity.

The Junior Tigers are coached by Mance Daughtry and Dale Crowe. These coaches use Spring training as the starting point for teaching the basics of football. Players compete in junior football for two years.

As the boys continue their hard work each week, we will attempt to give them press coverage equal to that of the varsity.

**GASOLINE PRICES**  
I learned something about gasoline prices this week. The number one thing I learned is that there is a big difference in prices between stations. For example, I was driving in the county last week, and discovered about a 6-to-7 difference in the price per gallon on premium gasoline. I was really shocked at this big difference.

I suspect that in the next few weeks we will probably see some declines in gasoline prices. Let me hasten to add that I am certain not an oil and gasoline expert. But it appears to me that if our supplies come back up to normal we will see some adjustment in gasoline prices. These type adjustments happen in the beef market, hog market and other types of markets, and I believe it will happen in the gasoline market, too.

**POISONOUS SNAKES**  
Earl F. Kennamer, wildlife specialist, recently said: "When you see a poisonous snake, don't get closer than the length of the snake, because a coiled snake can strike about one-half its length." I believe this is one rule that Kennamer could just as well have left out because not too many folks are going to know they get that close to a poisonous snake. A person who has been bitten by a snake should get to a doctor immediately. This is the most important rule of all.

Another thing to do to prevent snake bite is to keep weeds and grasses mowed around your home, cabin or campsite. Piles of trash, lumber, bricks, or rocks should be either removed or covered. Of course, it is good to wear high shoes or boots when walking in the woods. Of course, when you are walking at night use a good flashlight and be very careful where you put your feet.

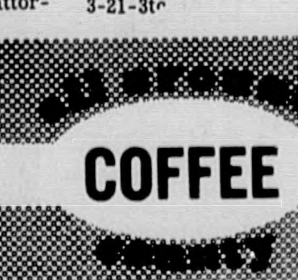

**TRADE FAIR**  
Coffee County rural people are becoming interested in the Bicentennial observation which is coming up in 1976. The Bicentennial will mark the 200th birthday of our nation.

Several things are planned in 1974, 1975 and 1976 right here in Coffee County to participate in the observance. One thing is the Trade Fair which is to be held in the massive parking lot of West Gate Shopping Center on Saturday, April 4. Several kiosks will be set up where you can already rent booth space to sell their goods.

Home demonstration clubs, civic groups, study groups, individuals, and organizations are encouraged to participate.

The program, in which Allie Walker has agreed to invest nearly \$5,000 per year for two years, was announced at the Houston convention. Charles W. Parker, Jr., vice-president of Allie Walker and a member of NACD's Business Advisory Committee, said

**SITE PREPARATION AND UTILITY CONSTRUCTION PROJECT NUMBER PD73-117 CITY OF ELBA, ALABAMA**  
Sealed bids for materials and labor for GRADING, PAVING, AND UTILITY CONSTRUCTION will be received at the office of the City Clerk of Elba, Alabama, until 7:00 P.M. C.D.S.T., April 2, 1974, and then publicly opened and read aloud.

The information for bidders, form of bid, form of contract, plans and specifications, and forms of bid bond and performance bond may be examined at the following:  
Office of the City Clerk  
City of Elba  
North Factory Avenue  
Elba, Alabama 36323  
Copies may be obtained at being built. In many cases folks already in the business are expanding. We certainly believe that the outlook is bright for profitable hog production.

Every family ought to throw away old, discarded, poorly labeled, out of use prescriptions and other items they no longer use or need to use. I would also recommend locking a medicine storage facility where young children are involved to make certain they cannot get to these drugs.

**HOG EXPANSION**  
Dr. James Danton, our hog production specialist at Auburn, had this to say about the hog business: "Folks going into the hog business now need to plan to stay in it for several years. The investments in getting in the hog business are higher than they have ever been, but the opportunities for profit are greater than they have been in the past. Building facilities for a large hog unit that used to cost \$8,000 to \$10,000 costs twice that much now. So farmers can't just jump in and out of the business as they did in previous years when only a very small investment was required."

Coffee County folks are expanding in the hog business. Some excellent facilities are being built.

**NATIONAL ENVIRONMENTAL CONSERVATION EDUCATION AWARDS PROGRAM**  
A new National Environmental Conservation Education Awards Program will be sponsored this year by the National Association of Conservation Districts and the Allie Chalmers Corporation. Two national awards of \$1,500 each are included in the program.

One national award will go to the Teacher-of-the-Year in environmental conservation education. The other will be awarded to the conservation district which has developed the best conservation education program in cooperation with the elementary and/or high schools in its area. Nominations in each category must be endorsed by district and submitted to NACD through state associations of conservation districts.

the above named office or at the office of Padgett & Dinning Engineering, Inc., 528 Nellums Avenue, Bowling Green, Kentucky, 42101, upon payment of \$25.00 for each set. Any unsuccessful bidder, upon returning such set promptly and in good condition, will be returned \$10.00. Any non-bidder will receive no refund.

The City of Elba reserves the right to waive any informalities and to reject any or all bids. Bidders are cautioned that the addition of special conditions to his bid may, at the discretion of the City, cause disqualification of the bid.

This project will be financed in part from funds authorized by the Alabama Department of Aeronautics and all construction is subject to their concurrence and approval. Each bidder must deposit with his bid security in the amount, form and subject to the conditions provided in the information for bidders. No bidder may withdraw his bid within sixty (60) days after the actual date of opening thereof.

### Are You An

#### All-Weather Friend?

Do you have an all-weather coat? An all-weather coat is just what you need whether it is raining, snowing, or sleeting. It can also be converted into a light-weight coat when the weather isn't too cold. The all-weather coat is much like the true friend. No matter what happens, a true friend is always there, ready to share your sorrows, your joys, your experiences—good or bad. On the other hand, a fair-weather friend disappears when the going gets tough. He is interested only in what you have to offer him—popularity, use of a car, etc. It isn't too hard for us to judge our friends, but can we easily judge ourselves? Remember, it takes at least two people to make a friendship, and we will have many if we always remain an all-weather friend.

In Loving Memory of  
Pamela Sherry Rainey

Someone said, "When God shuts a door, He opens a window." For the brief time we spent with Pamela, certainly we are thankful. To one, she was sister, sweet and dear. Loving playmate while she was here. To her parents, she was daughter, precious child. Warning their hearts with joy for while. To others, grandchild, and as the name implies, Grand, gladdening their lives. To her teachers she was a treasure. Filling days with sweetness and pleasure. For her many playmates, classmates, friends, she built memories that will not end. For all who knew her, certainly we feel, God sent us an angel, our lives to fill. She walked with us. She put her hand in ours. She helped us hear the birds, and smell the sweetness of the flowers. She smiled at us and through that smile, we saw Heaven shining. So of Pamela we will say, "She is not dead, she is just away."

## Recycling Center

### Is Teen-Age Project

The teenage-operated recycling center in Dayton, O., has processed tons of recyclable materials in its first 18 months of existence. The center composts leaves, mulches Christmas trees, and conducts educational programs.

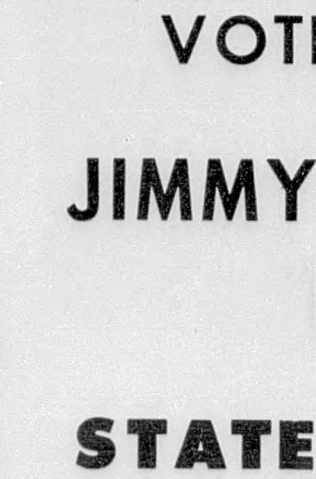

The facility is financed by industry and has the full cooperation of many organizations in the community. It has helped a number of surrounding towns to open their own centers and has produced a detailed guide for the development of the program.

"It never occurs to teenagers that someday they will know as little as their parents."—Lois W. Matson, The Kiester (Minn.) Courier.

"Nowadays a lucky coin is as coin you still have."—Lee R. Call, Star Valley (Wyo.) Independent.

"You should learn from the mistakes of others. You can't live long enough to make all of them yourself."—Dale Holdridge, The Lanford (S.D.) Bugle.

"Carry only today's burden, don't add to it the burden of yesterday and the day before."—Mrs. Gary Hott, The Pickens (S.C.) Sentinel.

## TEACHER TALK

Featured in Teacher Talk is Mrs. Melinda Sanders who teaches English here at Z. C. Her family lives in the New Hope Community and she is married to Johnny Sanders who is a former coach and teacher at Z. C. They have two children, Chris 12, a 6th grader at New Hope Jr. High, and Melanie 11, who is in the 5th grade here at Z. C.

Mrs. Sanders enjoys piano playing, painting, drawing, and caring for her new home. When asked what she liked about Z. C., Mrs. Sanders said that she believes the student body has good spirit in support of basketball and football, and that she likes the Career Education Program that has been introduced into the school. Her suggestion for improvement would be the passage of the 5 mill ad valorem tax that will come up for vote April 16, for it should do much to improve the schools in the county.

We are all glad to have Mrs. Sanders back again with us here at Z. C.

## WORK-STUDY STUDENTS

Pictured on their way to work are work-study students, Joby Davis, who works at National Security Ins. Co., Larry Taylor, who works at Elba Bakery, and Yvonne Smart, who is employed at Kleiner's.

## MEET THE

### NEW REBELS

We introduce this week, Dennis McWaters, son of Mr. and Mrs. James V. McWaters of Route 2, Brundage. Dennis attended New Hope Jr. High last year. His hobby is horse-back riding, and he belongs to the 4-H Club. He likes the friendly people and pretty girls at Z. C. and admires the school spirit. He believes air conditioning would improve the school. Welcome, Dennis, to Z. C.

## Methodists Announce Revival Plans

Mrs. L. F. Inman, Mrs. Robert Marsh, Mrs. Douglas Easters, Mrs. Mayo Prescott, Mrs. Fred Clark, Mrs. Flourence Whitman, Mayor Ziglar

## APRIL IS CLEAN-UP MONTH IN ELBA

Mayor Owen Ziglar has proclaimed April as Clean-up Month in Elba. The Azalea and Magnolia Garden Clubs are sponsoring this project.

The clubs are urging each individual to clean his own property or vacant lots. The city will pick up all trash stacked in the yards. Merchants are requested to clean the front of their businesses and put their trash in the alleys. The city will also move unwanted stoves, refrigerators, etc. if anyone desires this service.

The city will continue to move abandoned cars, and the state will clean all State roads in the city limits. The National Guard will also cooperate in this effort.

"Let's all work together to make our city a clean and beautiful one," say the club members.

Numbers to call for removal of items from property are: City Hall - 897-2333; 897-2331; 897-2435; 897-2701; 897-2622; 897-2889; 897-2696.

## M. J. Lee Is Appointed

M. J. Lee was reappointed to another term on the Elba Planning and Zoning Board by the Elba City Council. Lee has served a number of years on the board, and the new appointment was unanimous by the councilmen. Planning and Zoning Board terms are six-year terms.

## FIRE REPORT

The Elba Fire Department reports no fires during the period of March 19 through 26.

TARGET IS \$7,000

## SATURDAY IS BAND DAY IN ELBA

With 1306 barbecue and 325 chicken tickets sold, the Elba High School Band will be concentrating on practicing for Band Day just two days hence - Saturday, March 30, at the National Guard Armory.

On that day they will begin playing at 10:00 a.m. and end the music at 12:00, with the three bands alternating playing time. That is - Marching Tiger - Intermediate - and Beginner Bands.

The musicians will rest until 2:30 when they will strike up the band again, "this time letting the music flow until approximately 4:30.

During the hours of 11:30 - 2:30 barbecue plates will be served at the Armory. Drinks will be available, but not included in the cost of the plate. A bake sale and rummage sale will also be part of the activities.

The Beginner Band Bake Sale will be held at the Big Bear; Intermediate Band cakes will be sold at the Piggy; and the Marching Tiger bakers will be selling their cakes at the Courthouse Square. The Rummage Sale will be held at the Courthouse also.

Mr. and Mrs. Lewis Sexton, who are in charge of the Rummage Sale, ask that anyone who has clothing or other articles for sale, bring them to the Band Room early Saturday morning. They also ask that the articles be sorted, marked and bagged according to size, if possible.

WELB Radio will broadcast the band's music and activities beginning at 10:00 a.m. Saturday and throughout the day.

The band and its supporters, led by Wayland Bryan, hope to reach their goal of \$7,000 before the day is over.

Toward the end of the day, more activities are planned: from 5:00 till 6:00 p.m. the Symphonic Band will present a concert in the High School auditorium; from 5:30 till 7:30 the chicken supper will be served in the High School lunch room; at 8:00, Bingo games will start (also in the lunch room); and at 7:30 there will be a Men's Beauty Contest in the auditorium.

Admission to the Symphonic Concert will be \$1.00, this will also include admission to the Men's Beauty Contest; however, those who do not attend the Symphonic Concert but who wish to see the Men's Beauty Contest only will be charged \$1.00 for that event.

Band members, parents and supporters are urged the participation of everyone in this yearly effort in behalf of members and future members of Elba's School Band.

Winners of Band Day Ticket Sales

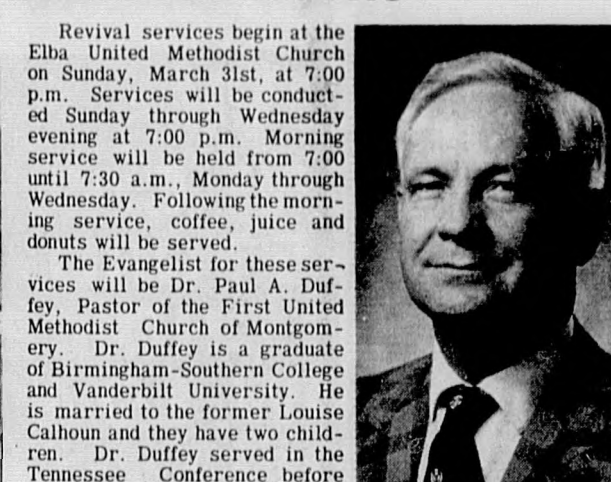

Winners of prizes for selling the most tickets for the barbecue and chicken on Band Day are listed below:

1st place - \$15.00 first prize - Pam Galtimore, daughter of Mr. and Mrs. Alvie Galtimore - 43 tickets - \$10 prize - 2nd place - Mrs. Troy Owens - 35 tickets - \$5.00 third prize

City Gives \$500

The Elba City Council appropriated \$500 to the Elba High School Band at a recent meeting. The council had a request for a \$500 donation to the local band, but Mayor Ziglar explained that this was not legal. Therefore, the Council voted to give an additional \$500 to the school system, which is legal. It was generally assumed by the councilmen that the school board would then be financially able to increase the band appropriation by \$500.

## Methodists Announce Revival Plans

Dr. Duffey

## APRIL IS CLEAN-UP MONTH IN ELBA

Revival services begin at the Elba United Methodist Church on Sunday, March 31st, at 7:00 p.m. Services will be conducted Sunday through Wednesday evening at 7:00 p.m. Morning service will be held from 7:00 until 7:30 a.m. Monday through Wednesday. Following the morning service, coffee, juice and doughnuts will be served.

The Evangelist for these services will be Dr. Paul A. Duffey, Pastor of the First United Methodist Church of Montgomery. Dr. Duffey is a graduate of Birmingham-Southern College and Vanderbilt University. He is married to the former Louise Calhoun and they have two children. Dr. Duffey served in the Tennessee Conference before coming back to his home state. He has served the following churches in our area: Abbeville, Marion, Dexter Avenue, Montgomery, First, Pensacola, First, Dothan, and presently First, Montgomery. Dr. Duffey is very active in United Methodist work on the general and local Conference levels. His worship service is seen in our area on television.

The Song Evangelist, Lt. Col. James Overton, is a native of Birmingham and presently makes his home in Fort Walton Beach, Fla. Mr. Overton has sung professionally with the Birmingham Starlight Opera Assn. and the Little Rock Civic Opera. He sang in a quartet with Billy Graham in Saigon, Korea, some years ago. Mr. Overton is well known in the southeast as an Evangelist. Singer and has been in Elba for several revivals the last few years.

Dr. James Clay is Chairman of the Area Evangelism for the church and the Pastor is Rev. Edwin K. Sells.

## WALKER RUNS FOR SENATE

K.H. Walker has qualified as a candidate for Senator from District 23, which consists of Pike, Bullock, Macon, west half of Barbour, west half of Henry, north part of Dale and north part of Coffee Counties.

Mr. Walker has been employed as an aircraft mechanic with Northrop Aviation at Ft. Rucker for nine years. He lives in Pike County near the Tennille Community, with his wife, the former Kathryn Brown. They have three boys: Ken, Keith and Kris; and four grandchildren.

The 47-year-old Walker attended public schools in Alabama and Georgia, the University of Georgia, the University of Alabama and the Alabama Institute of Technology in Ozark. He is a member of the Springfield Baptist Church, and a World War II Navy veteran.

In his announcement, Walker said: "When elected to the Senate, I will eagerly represent all people of District 23, with a firm determination to see that the working people, who are the backbone of our State, will get a fair and equal deal from every agency and department of the State Government. I will be available to every citizen of District 23 for assistance with any governmental problem they might have."

## Zion Chapel Pre-School

Pre-School Clinic will be held at Zion Chapel School on Monday, April 8th, 1974 for the purpose of registering children for the next school year for grade one. Registration will be held in the elementary building in the first grade classroom. Registration will begin at 8:00 a.m.

Please bring your pre-school child and help notify any parents who may have missed the announcement. This registration is very important.

1) Birth certificates will be required. If your child does not have a birth certificate, please apply for one now.

2) Any child who will enter grade one in 1974 MUST be 6 years old by October 1, 1974.

3) Children will be accompanied by a parent or other adult.

Also, a little earlier, at 5:30, County health officers will be present. Please bring records of your child's shots.

## Elba Churches Set Easter Program

The Elba Ministerial Association and the churches of Elba will present an Easter program at the Elba High School Auditorium on Thursday night, April 11, 1974.

The program will be based on the Last Supper, and is set for 7:30 p.m.

## Winners of Band Day Ticket Sales

Winners of prizes for selling the most tickets for the barbecue and chicken on Band Day are listed below:

1st place - \$15.00 first prize - Pam Galtimore, daughter of Mr. and Mrs. Alvie Galtimore - 43 tickets - \$10 prize - 2nd place - Mrs. Troy Owens - 35 tickets - \$5.00 third prize

City Gives \$500

The Elba City Council appropriated \$500 to the Elba High School Band at a recent meeting. The council had a request for a \$500 donation to the local band, but Mayor Ziglar explained that this was not legal. Therefore, the Council voted to give an additional \$500 to the school system, which is legal. It was generally assumed by the councilmen that the school board would then be financially able to increase the band appropriation by \$500.

## Methodists Announce Revival Plans

Leo Foreman

## RESCUE SPOTLIGHT

Leo Foreman is this week's Spotlighted Rescue Squad member. He has been with the squad "from the ground up," being one of the first five members.

Leo says he "enjoys the work," and appreciates the public's support and the way they help and cooperate with the Squad.

He is an Elba native, but says he "got his wife" in Laverne, the former Mary Greer. They have two boys - John, who recently moved from Elba to Hartford, and Buddy, who is in the Navy.

## City Schools Order Busses

The Coffee County Board of Education notified the Elba City Schools on January 25 that at the end of the 1973-74 school year, the County Board of Education would no longer furnish transportation for students attending the Elba City Schools.

The Elba City Board of Education has placed orders for one 60-passenger bus and six 66-passenger buses, to begin operation at the beginning of the 1974-75 school year. These busses will be purchased from the sale of State School Bonds at a total cost of \$67,786.

## Grants Cost City 31%

Some months ago, the City of Elba contracted with Task Consultants, Inc. of Huntsville, Ala. to analyze the City's operations and complete the indirect cost for administering programs in which the Federal Government participates (such as the Airport grant).

The result of this analysis was that Elba's indirect cost - what it cost the city to carry out a Federal program - is 31.1%. This will be their guide on future grants by the Federal Government.

Provision was made for cities such as Elba to receive recovery of this administrative cost by a publication issued by the Office of Management and Budget, Circular No. 8-87.

Below is an example, with an amount of \$100,000 as the grant applied for, with the Government providing 75% of the cost.

Actual Project Cost	\$100,000
Indirect Cost @ 31.1%	\$31,100
Total Program Cost	\$131,100
Federal Share (75%)	\$98,325
Local Share (Out of Pocket Cost)	\$32,775
Savings in Cash of	\$23,325
	(\$25,000 - 1,675)

## Special Cattle Sale

There will be a special cattle sale on Tuesday, April 2, at 7:00 p.m. at the Farmer's Live-stock Auction in Elba, sponsored by the Coffee County Cattleman's Association.

There will be a number of years old by October 1, 1974.

Children will be accompanied by a parent or other adult.

Also, a little earlier, at 5:30, County health officers will be present. Please bring records of your child's shots.
